

## Camp Forms Instructions

Here at No. 1 Soccer Camps, we go above and beyond to keep all campers safe and happy throughout the week. Below are instructions for filling out our camp forms. Please help us with this process.

### **Player Profile Form**

The camper or the parent can fill out this form. The player profile goes directly to the coach of their group. Please put any special concerns or situations that the coach on the field should be aware of.

### **Youth Camp Health Exam/Record**

This is the No. 1 Soccer Camps Health Form. This form needs to be completed and signed by the parent AND the doctor. If you have a copy of the camper's state or school medical form, please attach it to this form. Either of these signed forms may take the place of the "Signature of MD" on the No. 1 Health Form but the rest of the No. 1 Health Form still needs to be completed. Immunizations **MUST** be included either on our health form or on a separate vaccination form from your doctor's office. Parent/Guardian need to sign the authorization box at the bottom of page 2.

### **Authorization For the Administration of Medications**

If your camper needs to take medication (even inhalers and over the counter medication), please have your doctor fill out the "Authorization for the Administration of Medications" form. All medication must be in the original packaging with the correct dosage labeled on the package, which should match the form. All medications need to be handed in to our certified ATC/Nurse at check in. Please let us know then of any special needs or situations that we should be aware of. No medication (including over the counter) should be brought to camp without this form. This is for the safety of all of the campers. If your camper is not bringing any medications to camp, please disregard this form.

## PLAYER PROFILE FORM

Please bring this form to "check-in" on the first day of camp. This form **must** be brought with you to "check-in" along with your medical form on your first day of camp.
